Drive Day January 2022

Welcome to the West Sussex Branch of The Morris Minor Owners Club.

The branch was formed in 2007 following a demand by local Morris Minor enthusiasts who saw a need for an active group in the area. The branch is run by local Morris Minor enthusiasts but is affiliated to the Morris Minor Owners Club. We run frequent reports about our branch activities in the MMOC magazine "Minor Matters". However, even if you are not a member of the national club you can still join us.

We enjoy organising our own activities and our locally organised Morris "Fun Runs" are extremely popular with pleasant drives around the Sussex

countryside and plenty of interesting places to visit.

Within the club we have a number of experienced owners with technical expertise. Advice and help is always at hand whether it be from a complete rebuild to a simple service. There are often spare parts that members wish to dispose of and we always get to hear about local

Breakfast Meeting Manor Nurseries -2016

cars for sale. We support other local Morris and Classic Car events, as well as local charity activities. In addition we like to provide a display at the Morris Minor Owners National Rally. The branch meets regularly once a month at a local pub. However, every 4th month we have a change of venue. So if you are joining us for the first time it's probably best to check the venue with us beforehand. Our aim is to provide a happy, relaxed and friendly atmosphere for all members. Whatever your taste we are sure you will enjoy our club.
